Dear Editorial Board,

We would like to submit our manuscript entitled

Accelerated Diffusion Weighted Magnetic Resonance Imaging at 7 T: Joint Reconstruction for Shift-Encoded Navigator-based Interleaved Echo Planar Imaging (JETS-NAViEPI)

for the consideration of publication in *Imaging Neuroscience*.

Similar to last revision, please kindly let the reviewers know that, the submitted single manuscript file consists of both the marked manuscript, the supplementary information, and the responses.

Should you need any more information from me in order to consider our manuscript, please don't hesitate to contact me.

Yours Sincerely,
Zhengguo Tan
